

## France - Pyla Sur Mer

This spectacular, luxurious estate with 8 double rooms in three houses on the sea above the beach with own private boat and skipper is situated in the bay of Arcachon, perhaps the most prestigious location on the French Atlantic coast near the beautiful islands and sand dunes that make the bay famous.

The gardens of the estate run down to the beach and there are wonderful views over the bay from all the rooms. The house is right opposite Cap Ferret and looks West giving spectacular sunsets directly over the sea.

The property offered for rent includes:

Three houses

The main house

- The facade of the large house faces the sea. It is spacious, luxurious and very comfortable. The house has a living room, and a large dining room with views, a fully equipped kitchen, a terrace for watching the sun go down and a patio protected from the wind for breakfast. There are four double rooms on the ground floor each with its own bathroom and a large master bedroom on the first floor with dressing area and large barroom giving a total of 100m<sup>2</sup> with a panoramic view over the bay.

The second house

- The second house is smaller but fully equipped, with living room, and kitchen and two double rooms. This is perfect for a family unit wishing to be with the group but have privacy.

The beach house

- A « beach-house », just above the beach, perfectly laid out with the interior in wood. This is perfect for a couple who want peace and quiet. The house has a bathroom and a corner kitchen.

The property is situated at no. 4, Allée Jean-Armand Daney, half way between the dune and the centre of the village of Moulleau. The house is less than 100 metres from a grocery store.

The boat

Included in the price of the house, is also the use of a very attractive 12 Metre boat « Beacher » that can carry 12 together with skipper Benoît. This is an exceptional advantage as it allows guests to get full benefit from the bay and its beautiful sandbanks which provide a lot of the charm and uniqueness of Pyla.

It should be noted that the boat will always be available with the exception of the week-end of 14th July.
