

## Pont Cassã© Villa

Villa with four bedrooms for 8 adults + up to 4 children.

A traditional plantation style home high in the mountains in the heart of the island, surrounded by tropical rainforests, waterfalls and beautiful views. This is a perfect retreat for families, small groups of close friends, musicians or writers and artists seeking an inspiring space to reignite or nurture their creativity.

Being in the centre of the island you are away from everything but with a car this is a great place from which to explore this most un-spoilt of the Caribbean islands.

The house is a well furnished home with many beautiful antiques and heirlooms and works of art. The 960sq&rsquo; Veranda overlooks most of the 2 acres of manicured Rainforest.

The Temperature is very comfortable and cool so air conditioning is not required and the quaint wood burning stove in indoor living room creates warmth during the cooler months.

The kitchen with breakfast bar is central to the design of the House and is furnished with most modern appliances.

A study space on the Mezzanine offers a writing & work desk as well as in the master suite.

The ground floor open plan studio is great for indoor exercise and creative sessions and spills out onto a 450sq&rsquo; covered patio.

a flat screen TV & DVD Player (note that there is no cable TV in the area) new Stereo system, and Ipod dock.

High speed internet with Wireless router. And we have now installed a gate to the rear of the property which accesses some fresh river dipping.

#### Clients' comments

"A day has not passed that we have not thought about, talked about, and longed to be at Harmony Villa. We are different people than we were before because of the experience of tranquility and love of your very sacred space..." Michele and Michael

" &hellip; David and I both have not been the same since our trip to Dominica. It has been hard being back in the harsh reality of the States after such an idyllic vacation. We so loved Harmony Villa that we want to return and bring our children." Ruth

"We had a wonderful family vacation to Dominica. The island is absolutely beautiful! I felt it a privilege to stay at your villa. It was very lovely. Thanks for stocking the pantry so well. The beautiful flower arrangements in each room were so elegant. We loved the menu for our welcome dinner!" Sheila
