

Greece - Paxos - Villa Marmari

Sleeps maximum 4 persons

1 double bed 3 single beds

Villa Marmari, surrounded by olive and cypress trees, is just above an attractive beach on the east coast, a few bays south of Loggos. From its peaceful hillside position, superb views of the sea can be enjoyed from a large verandah. Sitting out areas surround the villa. A path leads from the villa, in under two minutes walk, to the beautiful sheltered beach of Marmari.

This is a quiet and secluded part of the island. To enable our clients to combine their enjoyment of it with easy access to the shops and tavernas in the fishing villages, and to the many beaches, we recommend that they have a car.

Loggos can be reached in ten minutes by car.

The journey by sea from Loggos to the beach below the villa, in a hired boat, takes five minutes.
