

Holiday in Southern Kenya - Alfajiri Beach & Garden Villas

Diani Beach, South Coast

Alfajiri Beach Villa and Garden Villa overlook the Indian Ocean and the elevated position ensures privacy and stunning views.

Large main verandah under a massive makuti roof, oca Danish floors, wooden beams, Lamu doors and impressive artifacts all reflect the outstanding attention to detail and high standard of interior design. Most of the furniture is made in the family-run workshop. The gardens are meticulously maintained and include many palms from the villa's nursery.

The Garden and Beach Villas share a spacious central terrace area with swimming pool and bar. On request guests in Garden Villa can have their meals privately on their verandah overlooking the Indian Ocean.

Diani Beach is considered one of the best in Kenya and it is possible to walk for 5 miles to the north and 5 miles to the south.

ACCOMMODATION - BEACH VILLA

2 luxuriously-appointed double bedrooms with their own bathrooms. One of them overlooks the Indian Ocean, and the other the "infinity" swimming pool. 2 additional rooms a level up, right under the makuti roof, provide exciting accommodation, though for children only. Please note there is no bathroom at this level, so children would share one of the 2 bathrooms below. All rooms have mosquito netting but NO air conditioning system.

ACCOMMODATION - GARDEN VILLA

8 guests can be accommodated in 4 large luxuriously-appointed double bedrooms each with their own large bathroom. All rooms overlook the Indian Ocean. The rooms are air-conditioned with split-level units and mosquito nets. All rooms have different interior decoration; the furniture and artifacts have been collected from different countries around the world.
